Seven Real Skills

Mental health and addiction services in New Zealand are required to provide evidence that they are using the seven Real Skills in developing their workforce and services.

In the table below, please document what experience you have had of each of these seven Real Skills. For more information on the Real Skills please visit www.tepou.co.nz/letsgetreal.

Real Skill	Definition	What experience have you had of this particular skill?
Working with service users	Every person working in a mental health and addiction treatment service utilises strategies to engage meaningfully and work in partnership with service users, and focuses on service users' strengths to support recovery.	
Working with Māori	Every person working in a mental health and addiction treatment service contributes to whānau ora for Māori.	
Working with families/whānau	Every person working in a mental health and addiction treatment service encourages and supports families/whānau to participate in the recovery of service users, and ensures that families/whānau, including the children of service users, have access to information, education and support.	
Working within communities	Every person working in a mental health and addiction treatment service recognises that service users and their families/whānau are part of a wider community.	
Challenging stigma and discrimination	Every person working in a mental health and addiction treatment service uses strategies to challenge stigma and discrimination, and provides and promotes a valued place for service users.	
Law, policy and practice	Every person working in a mental health and addiction treatment service implements legislation, regulations, standards, codes and policies relevant to their role, in a way that supports service users and their families/whānau.	
Professional and personal development	Every person working in a mental health and addiction treatment service actively reflects on their work and practice and works in ways that enhance the team to support the recovery of service users.
